

Angel Ball 2010

To the many, many friends, family, parishioners, and supporters who made Angel Ball 2010 such a success, **we thank you!** Through your *blessings*, we came together in support of the invaluable educational programs of St. Athanasius Parish and School. Although the total funds raised are still being calculated, we believe we have met our goal of \$135,000, and those funds will go directly to the operating budgets of the Parish Religious Education Program and the School. In addition, our "Raise Your Paddle" benefit this year raised an amazing \$40,000 for technology in the Parish House and School.

We extend our heartfelt thanks to each and every individual and business who contributed to Angel Ball 2010, our donors, our advertisers, our underwriters, our Love Noters, our tireless volunteers, and, of course, our auction winners and guests! We are *blessed* because of you!
